

STEEL TOAD BEER

\$6.50 / 473mL - \$3.50 / 250mL - \$8.00 / 4 x 125mL Taster Pack

KERMODE – WEST COAST IPA

70 IBU – 7% ABV

The golden furred Kermode Spirit Bear roams the coast of BC, a truly unique creature, much like this beer. Boasting a massive tropical nose and flavour from the Citra and Simcoe hops on top of a clean, crisp malt profile that sits back and lets the hops shine.

YORKSHIRE PUB ALE

25 IBU – 4% ABV

Classic British style pub bitter brewed with 100% British ingredients. Served through a beer engine like it's meant to be, with the beer stored at cellar temperature. Smooth biscuit malts are balanced with floral and fruity Kent Golding hops. Lower ABV and lower carbonation for sessionability.

BLACKBERRY SOUR

10 IBU – 5% ABV

This kettle soured wheat ale (Berliner Weisse) has been blended with blackberries after fermentation. The resulting beer is extremely easy drinking, refreshing, and delicious.

FARMHOUSE DOUBLE IPA

80 IBU – 10% ABV

Notes of tangerine and bubble gum from the exotic Mosaic hops mingle with coriander and citrus from the Belgian yeast. The light pilsner malt base leaves the beer crisp and dry.

Dangerously drinkable for such a strong beer.

THE HOP EXCHANGE – SINGLE HOP PALE ALE: EQUINOX

40 IBU – 5% ABV

The Hop Exchange is a series of Pale Ales brewed with one and one hop only.

A recently developed hop varietal, Equinox was only made available in 2014.

Notes of melon, berry, orange peel, lime, papaya, pine, and fresh peppers.

VIENNA LAGER

15 IBU – 5% ABV

Unlike the nearly brown coloured “Vienna Lagers” inspired by a particular Mexican brewery’s interpretation of the style, this beer is an authentic traditional Vienna style golden lager brewed with 100% German Vienna malt. Crisp with a lovely malt finish.

OATMEAL STOUT

35 IBU – 5% ABV

Caramel, chocolate, toffee, and coffee flavours dominate the palate, balanced by a subtle fruity bitterness. The flaked oats added in the mash give a luxuriously creamy mouthfeel. Served at cellar temperature through a beer engine.
